

REFERENCE OBJECTS:			
Project title / facility, Place of construction	Period of project development	Duty performed	Gross surface (m <sup>2</sup> )
Residential-business building in Belgrade „Starry Hill“, Bulevar Kralja Aleksandra, Zvezdara, schematic and working drawing HVAC design	2019	HVAC Design	~ 47.500 m <sup>2</sup>
General Electrics, Oil & Gas Industry, Emerald Calabar - NIGERIA, second phase	2018	HVAC Design	~ 8.600 m <sup>2</sup>
Presidential building, Tashkent, Uzbekistan, working drawing HVAC design	2018	HVAC Design	~ 11.800 m <sup>2</sup>
Residential building in Belgrade „Magnolia“, Belgrade Waterfont, schematic and working drawing HVAC design	2018	HVAC Design	~ 18.000 m <sup>2</sup>
Residential building in Belgrade, Petra Kočića 24-32, schematic and working drawing HVAC design	2018	HVAC Design	~ 19.000 m <sup>2</sup>
Home for the elderly, Vinogradska 64, Belgrade, working drawing HVAC design	2018	HVAC Design	~ 450 m <sup>2</sup>
Residential building in Cerska st. 61, Belgrade, working drawing HVAC design	2018	HVAC Design	~ 600 m <sup>2</sup>
Rubber factory „Fagum“, Karakaj, Republic of Srpska, working drawing HVAC design	2018	HVAC Design	~ 400 m <sup>2</sup>
Connecting part of the terminals of the airport of Nikola Tesla, Belgrade, Serbia, working drawing HVAC design	2018	HVAC Design	~ 1.700 m <sup>2</sup>
Presidential residence Tashkent, Uzbekistan, working drawing HVAC design	2018	HVAC Design	~ 4.200 m <sup>2</sup>
Luxury private villa, Dedinje, Belgrade, Serbia, working drawing HVAC design	2017	HVAC Design	~ 1.400 m <sup>2</sup>
General surgery and block of hematology clinic, University Children's Clinic, Tiršova, Belgrade, Serbia, working drawing HVAC design	2017	HVAC Design	~ 1.060 m <sup>2</sup>
Office space, Božidara Adžije, Belgrade, Serbia	2017	HVAC Design	~ 500 m <sup>2</sup>
Transneft Headquarters building „Evolution“, Moscow City, Moscow, RF	2015-2018	HVAC Design	~ 169.000 m <sup>2</sup>
World Supermarket, Dubai	2017	HVAC Design	~ 400 m <sup>2</sup>
Transneft scientific institute building, Moscow, RF	2016	HVAC Design	~ 16.000 m <sup>2</sup>
Hotel W, Belgrade Waterfront, Belgrade, Serbia	2016-2017	HVAC Design	~ 38.000 m <sup>2</sup>
Lantmannen-Unibake, food production facility – bakery, Moscow, RF	2016	HVAC Design	~ 50.000 m <sup>2</sup>
Annex to Hotel Sheraton (new kitchen and laundry), Djibouti, Djibouti	2015	HVAC Design	~ 1.500 m <sup>2</sup>
Pharmacy - Clean rooms, „BION“, Obninsk, RF	2015	HVAC Design	~ 600 m <sup>2</sup>
Residential building, Petra Kocica, Belgrade, Serbia	2015	HVAC Design	~ 20.000 m <sup>2</sup>
Fertility clinic „Mother and children“, Moscow, RF	2015	HVAC Design	~ 600 m <sup>2</sup>
Opened concert hall, „Orlenok“, Tuapse, RF	2015	HVAC Design	~ 7.000 m <sup>2</sup>
Hipermarket „Stemeko“, Volgograd, RF	2015	HVAC Design	~ 3.500 m <sup>2</sup>
SPA center of Hotel „PREDEJANE“, Predejane, Serbia	2015	HVAC Design	~ 600 m <sup>2</sup>
Hotel complex „Nagornoe“, Novogorsk, Moscow area, RF, schematic desing of thermo technical installations	2015	HVAC Design	~ 6.000 m <sup>2</sup>
General Electrics, Oil & Gas Industry, Emerald Calabar - NIGERIA	2014 –2015	HVAC Design	~ 26.000 m <sup>2</sup>
Multifunctional complex with hotel, convention center, pool, SPA center, sport halls and other accompanying facilities, “BOR“, Moscow, Russia, conceptual, schematic and working drawing HVAC design	2014-2015	HVAC Design	~ 65.000 m <sup>2</sup>

Sports facility with pool, Krasnodar area, PGT Aripiski, Krasnodar, Russia, schematic desing of thermo technical installations	2014	HVAC Design	~ 5.000 m2
Luxury Villa In Awka Ibom State - NIGERIA, Uyo, NIGERIA, HVAC Working Drawing desing (BS standards)	2014	HVAC Design	~ 4.000 m2
Private villa, Asokoro, Abuja, Nigeria, HVAC Working Drawing desing (BS standards)	2014	HVAC Design	~ 2.500 m2
Private villa, Asokoro, Abuja, Nigeria, HVAC Working Drawing desing (BS standards)	2014	HVAC Design	~ 2.000 m2
ANR - National Assembly Authority – Abuja, Nigeria, HVAC Working Drawing desing (BS standards)	2013 - 2014	HVAC Design	~ 16.000 m2
NILS - National Institute for Legeslative Studies – Abuja, Nigeria, Preliminary, schematic and working drawing HVAC design	2013- 2014	HVAC Design	~ 64.000 m2
Hotel "HILTON", Volgograd, Russia, schematic and working drawing HVAC design	2013	HVAC Design	~ 11.000 m2
Multifunctional complex with Hotel, Sports Center, Pool, SPA center, Medical center and other accompanying facilities, "DJUNA", ANAPA, Russia, schematic and working drawing HVAC design	2013	HVAC Design	~30.000m2
Residential building, Banjica, block 8,Belgrade, main design of thermo technical installations	2013	HVAC Design	~ 4.300 m2
"PRESS OFFICE" in GOVERNMENT HOUSE COMPLEX, UYO, NIGERIA, main design – HVAC Working drawings and calculations	2013	HVAC Design	~1.100m2
"Industrial Hall 43" Bezanija, Belgrade , main desing design of thermo technical installations (heat pumps with geothermal energy)	2013	HVAC Design	~1.400 m2
Reconstruction of General hospital wing in Sabac, Serbia	2013	HVAC Design	~ 450 m2
Multifunctional complex, Mozayskiy val, 8 - Moscow, Russia, main desing design of thermo technical installations	2012	HVAC Design	~ 78.500 m2
Residential building – Librevil, Gabon, main desing design of thermo technical installations	2012	HVAC Design	~ 1.000 m2
Private residential building, Serpuhovskiy district near Senkino, Moscow, Russia	2012	HVAC Design	~ 420 m2
UG5-Uyo Deputy Governors Lodge – Nigeria, HVAC Working Drawing desing (BS standards)	2011	HVAC Design	~ 1.500 m2
Residential building, Boyarkino, Moscow, Russia	2011	HVAC Design	~ 1.500 m2
Residential building, Sonkovo, Moscow, Russia	2011	HVAC Design	~ 1.200 m2
New Office Building, UGH - GOVERNMENT HOUSE COMPLEX, UYO - PHASE III– Nigeria, HVAC Working Drawing desing (BS standards)	2011	HVAC Design	~ 2.600 m2
Multifunctional complex, multifunctional hall and accompanying facilities, 1 – UYO banquet hall, 2 – Twin lake estate, Chevron Nigeria Closed Pension Fund Administrator Ltd. – Nigeria, HVAC Working Drawing desing (BS standards)	2010	HVAC Design	~ 7.000 m2
Individual residential building with pool, willage "Serebryanaya podkova", Moscow, Russia, HVAC Working Drawing desing	2010	HVAC Design	~ 300 m2
Individual residential building, willage Kurovo, Moscow, Russia, HVAC Working Drawing desing	2010	HVAC Design	~ 450 m2
Multifunctional hotel complex (10 buildings and facilities) „Yantar“ in Kaliningrad, Russia, conceptual and main design of thermo technical installations	2009-2012	HVAC Design	~ 20.000 m2
Hotel complex „Dagomis“ in Sochi, Russia, conceptual and main design of thermo technical installations – Stage I – hotel „Dagomis“, concert hall, pool facility	2009-2013	HVAC Design, Construction, Project supervision	~ 85.000 m2
Hotel complex „Dagomis“ in Sochi, Russia, conceptual and main design of thermo technical installations – Stage II – disco club, sports hall, finnish sauna	2009-2012	HVAC Design, Construction, Project supervision	~ 25.000 m2
Hotel complex„Dagomis“ in Sochi, Russia, conceptual and main design of thermo technical installations – Stage III – beach facilities	2009-2012	HVAC Design, Construction, Project supervision	~ 5.000 m2

Indoor hangar for aircrafts with administrati3n part of the facility „Transaero“, Moscow, Russia, HVAC Working Drawing desing	2009	HVAC Design	~ 6.600 m2
HOTEL „Altina Gas“, New Belgrade, HVAC Working Drawing desing	2010 g.	HVAC Design	~ 5.600 m2
Business and residential building „Tempo“, Zemunska st.18, New Belgrade, conceptual and working drawing HVAC design	2009-2010	HVAC Design	~ 5.200 m2
Hotel building „Tempo“, Zemunska st.18 New Belgrade, conceptual and working drawing HVAC design	2009-2010	HVAC Design	~ 4.000 m2
Residential building "EXCLUSIVE HOUSE", Dedinje, Belgrade, Serbia	2009	HVAC Design	~ 700 m2
Multifunctional sports and recreation complex (multifunctional sports hall with pool and residential units), Padikovo, Russia, conceptual HVAC design	2009	HVAC Design	~ 21.550 m2
Sports catering complex, beach volleyball hall, Anapa, Russia, conceptual and working drawing HVAC design	2009	HVAC Design	~ 1.640 m2
Residential building within the sports and recreation, Padikovo, Russia, conceptual HVAC design	2009	HVAC Design	~ 500 m2
Private residential facilityu, Krasnodar, Russia, working drawing HVAC design	2009	HVAC Design	~ 1.110 m2
Shopping complex, Samara, Russia, working drawing HVAC design	2009	HVAC Design	~ 7.300 m2
Multifunctional facility "Klif" (HOTEL), Anapa, Russia, conceptual HVAC design	2009	HVAC Design	~ 70.000 m2
Residential-business building -"МАЛАЯ БУХТА", Anapa, Russia, working drawing HVAC design	2008	HVAC Design	~ 55.000 m2
Business building -"DIAPAZON", Moscow, Russia, working drawing HVAC design	2008	HVAC Design	~ 20.000 m2
Residential-business complex, Megion, Russia, working drawing HVAC design	2008	HVAC Design	~ 1.500 m2
Residential building „MODA MODA“, 29 Novembra st, Budva, working drawing HVAC design	2008	HVAC Design	~ 4.000 m2
Residential-business complex , Topolica 1, Bar, Montenegro, conceptual HVAC design	2008	HVAC Design	~ 62.000 m2
Residential-business complex , SLAVIJA, Potkosljun, Budva, Montenegro, conceptual HVAC design	2008	HVAC Design	~ 13.000 m2
Residential-business complex “Atlas Capital Centar”, Podgorica, Montenegro, conceptual, schematic and working drawing HVAC design	2008	HVAC Design	~ 85.000 m2
Swimming pool – Anapa, Russia, conceptual HVAC design	2007 - 2008	HVAC Design	~ 12.000 m2
Residential building in Sanje Zivanovi3 st.42, Belgrade, main design of indoor gas installation and main design of radiator heat exchangers and ventilation	2007	HVAC Design	~ 5.000 m2
Residential building in Tolstojeva st.1 ,Dedinje, , main design of indoor gas installation and main design of radiator heat exchangers and ventilation	2007	HVAC Design	~ 1.500 m2
Shopping mall “Delta City”, - Jurija Gagarina st, New Belgrade, conceptual, schematic and working drawing HVAC design	2007	HVAC Design, Construction, Project supervision	~ 85.000 m <sup>2</sup>
Shops “Mango”, “Pull And Bear”, “Bershka”, “Adidas”, “ID Hair”, “OFFICE SHOES”, “Legend” – Delta City shopping mall, New Belgrade, working drawing HVAC design	2007	HVAC Design	~ 2.500 m2
MAXI supermarket u tržnom centru “Delta City” – Beograd, working drawing HVAC design	2007	HVAC Design	~ 4.000 m2
Commercial bank Beograd – Belgrade, Kralja Aleksandra blvd., reconstruction and working drawing HVAC design	2007	HVAC Design	~ 3.500 m2
Gym hall and HOTEL – Himki, Russia, conceptual HVAC design	2007	HVAC Design	~ 24.000 m2
Business - production facility “FITEX”, block 24, New Belgrade, working drawing HVAC design	2006 - 2007	HVAC Design	~ 7.000 m2
Hotel Niš (Holiday Inn)- Niš, working drawing HVAC design	2006	HVAC Design	~ 6.600 m2
Hotel “Prezident” – Kovilovo, Serbia, working drawing HVAC design	2006	HVAC Design, Construction, Project supervision	~ 2.000 m2

Residential-bussines building - "Belgrade", Niznevarovsk, Russia, working drawing HVAC design	2006	HVAC Design	~ 22.500 m2
Residential-bussines building in Dimitrija Tucovića st. 28a, Belgrade, working drawing HVAC design	2006	HVAC Design	~ 8.500 m2
Raifaissen Bank, branch in Djure Jaksica st – Belgrade, working drawing HVAC design	2006	HVAC Design	~ 1.200 m2
Shopping mall "Bazar" – Novi Sad, reconstruction and working drawing HVAC design	2005 - 2006	HVAC Design	~ 12.000 m2
Drugs warehouse "RAPID - ERMA" Bacvanska st. 21 – Belgrade, working drawing HVAC design	2005	HVAC Design, Construction, Project supervision	~ 1.500 m2
Business and warehouse facility "NEREGELIA", Podgorica, Montenegro, working drawing HVAC design	2005	HVAC Design	~ 3.000 m2
Bussines building "ZEPTER" – Moscow, RF	2005	HVAC Design	~ 7.500 m2
Elementary School "Stankom" – Belgrade, Serbia	2005	HVAC Design	~ 10.000 m2
Bussines building "Малая Броня" – Moscow, RF	2004	HVAC Design	~ 7.200 m2
Residential building, „Коробейников переулок“, Moscow, RF	2004	HVAC Design	~ 10.000 m2
Sport complex, „RODINA“, Sochi, RF	2004	HVAC Design	~ 7.000 m2
Bussines building with warehaus "DESPEC" – Belgrade, Serbia	2004	HVAC Design	~ 3.500 m2
